

# Safe Mobility for Life Speaker Request Form

Safe Mobility for Life workshops cover a variety of safety, access, and mobility topics to groups of 15 or more almost anywhere in Florida. We can tailor the length of the workshop to fit the group's needs.

Workshop topics include:

- Maintaining safe driving skills
- Understanding the impacts of aging and how to maintain safe mobility
- Utilizing walking, bicycling, public transit and Transportation Network Companies as transportation options
- Where to find local resources that support aging road users

We also provide materials that cover the following topics:

- How to use roadway safety devices and signals
- Resources for family members and caregivers who assist older adults
- Renewing your driver's license and how to apply for a Florida ID

If you are interested in a workshop, please provide the following information at least 60 days in advance. A Safe Mobility for Life representative will contact you about your request.
